PROFIT WARNING

This announcement is made pursuant to Rule 17.10(2)(a) of the Rules Governing the Listing of Securities on the Growth Enterprise Market of The Stock Exchange of Hong Kong Limited (“**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board of directors (the “**Board**”) of Yuxing InfoTech Investment Holdings Limited (the “**Company**”) wishes to inform the shareholders of the Company and potential investors that it is expected to record a significant decrease in the unaudited consolidated results of the Company and its subsidiaries (collectively the “**Group**”) for the nine months ended 30th September 2013 (the “**Third Quarterly Results**”) compared with the profit attributable to owners of the parent of the Group of approximately HK\$27.1 million for the corresponding period last year. Such significant decrease in the Third Quarterly Results of the Group was mainly attributable to (i) a significant decrease in the overall turnover and gross profit of the Group; (ii) imputed interest expenses for the nine months ended 30th September 2013 in respect of the non-current portion of settlement fee payable to the Guangdong Jianlibao Group Company Limited or its designated entities. Further details regarding the non-current portion of settlement fee payable are set out in note 29 to the financial statement in the annual report 2012 of the Company; and (iii) one-off products replacement cost and compensation for servicing such replacement of totalling approximately HK\$6.7 million to a customer.

This significant decrease in overall turnover and gross profit of the Group was mainly attributable to the weakened order procurement sentiment of customers, more intense competition, for the nine months ended 30th September 2013 which has significantly affected the Third Quarterly Results of the Group.

As the Company is still in the process of finalizing the Third Quarterly Results, the information contained in this announcement is only based on the preliminary assessment by the Board of the Company according to the unaudited consolidated management accounts of the Group for the nine months ended 30th September 2013.

Shareholders and potential investors are therefore advised to exercise caution when dealing in the shares of the Company.
